

2 SOW OR NOT 2 SOW

Designed to move you towards being a responsible steward of the things of God, 2 Sow Or Not 2 Sow is an exciting new product from Sowers Reap International.

Using the guiding principles of Christ, this board game is sure to delight players of all ages while drawing attention to Biblical life principles. Many financial board games neglect the importance of moral accountability and the values we champion in the Christian faith.

2 Sow Or Not 2 Sow is the first game of its kind to bridge this gap.

OUR 501(C)3 DISTRIBUTION PROGRAM

We believe this game can be used as an effective tool when put in the hands of ministries like yours. When you buy 2 Sow or Not 2 Sow to distribute to your donors, customers, or members, you can receive 20%-30% of the purchase price in a donation back to your organization.

- BUILT ON BIBLICAL PRINCIPLES

HOW DOES IT WORK?

Each organization that becomes a distributor is assigned a number. When consumers buy the game online they simply reference the distributor number to let us know which organization the buyer is supporting. We then donate a percentage to the buyer's choice.

When we work together Ministry opportunities grow. We believe, Ministries and families that plan and pray together prosper together. Lets work together.

HOW YOU BENEFIT:
